

LOCAL.

ATURDAY, NOV 30, 1872.

All Advertisements must be handed to the Business Manager before Thursday noon.

Monday next is a holiday.

The coming man—a waiter.

Rainy weather and boggy streets this week.

Grant's majority in New York State set down at 59,605.

The prevalent hippyism (epizootic) has attacked the horse chestnut trees.

Greeney hats are now used for setting hens.

The editor who was "fixing" to go courting, said "he was going to press."

A Chicago dry goods man advertises "The most fearful sacrifice since the days of Abraham and Isaac."

Ray Gould, Fisk's partner, has been arrested on the charge of malfeasance in Erie management. Go (u)ld is tight, in mercantile parlance.

W. T. Muller says in another column that he has the best assortment of groceries he ever had. They must be good.

Trade has been a little dull in town during the past week, doubtless "the all before the storm" of salesday and the Christmas bustle.

Mr. Souder advertises that he will remain a few days longer in our Town, to take those beautiful pictures. Don't miss this chance.

See advertisement of J. Wallace Cannon, at Harvelles old stand. This young merchant deserves the patronage of our people. We bespeak for him a liberal share of custom. Read his card.

SANTA CLAUS.—Is announced as having arrived at Dr. Oliveros popular Drug Store. Our readers know what Santa Claus brings. Toys and good things for Christmas. Call and look.

Cancers cured, without knife and blood. Dr. J. E. Bentley, will be at Meroney's Hotel on December 11th, and will cure cancers without pain or blood. Those afflicted will be there.

"Ain't it wicked to rob dis here roost, Jim?"

"Dat's a great moral question, Gumbo; we ain't got time to argue it now; hand down anoder pullet."

Those Big Turnips.—Mr. Henry Rickenbaker is still producing mammoth and master Turnips. He is the champion Turnip raiser in this County. Mark Tapley would be satisfied with him.

The Elliott Hook and Ladder Company celebrate their forth anniversary this day. The programme for the occasion is, we understand, a parade in the afternoon and a banquet at their new and handsome hall this evening. Our thanks for an invitation to the latter which we will accept.

The store of Mr. Oscar Champy, Russell Street, was broken into and entered on Sunday night by burglars, and goods consisting of tobacco, fruit and segars to the value of sixty dollars stolen. It is thought that the thieves are known, and efforts have been made to apprehend them, but hitherto they have proved unsuccessful.

Epizootic.—The horse malady is on the decline. Some of the equine quadrupedal animals of our town have been afflicted. No serious case has however occurred. With care and attention no trouble need be apprehended. Gov. Scott has countermanded the order restricting the importation of horses into the State.

A JUDICIAL APPOINTMENT.—Governor Scott last week appointed Judge T. C. Andrews County Treasurer for this County vice T. K. Sasportas. This announcement will be received with pleasure by all our people. Judge Andrews is well and popularly known throughout the County and is admirably

qualified for this important position. A good business man, and faithful and courteous as an officer he will give eminent satisfaction.

We congratulate our citizens upon this admirable appointment.

At the annual meeting of the Orangeburg Agricultural Society held last Saturday, the following Officers were elected for the ensuing year:

- President.
Dr. W. F. BARTON.
Vice Presidents.
1st J. L. MOORE.
2d. D. R. BARTON.
3d. W. W. WANNAMAKER.
Secretary and Treasurer.
KIRK ROBINSON.
Executive Committee.
L. R. BACKWIT.
DR. J. C. HOLMAN.
J. D. TREZEVANT.
J. F. IZLAR.
JAMES STOKES.

GAMBRINUS AND BACCHUS.—Gambrinus is the god of Beer and owns as large a kingdom as Bacchus the jolly god of wine. Diodorus and Pliny say that, two thousand years before the christian era, Osiris, king of Egypt, brewed beer. Tacitus tells us that the ancient Germans could not live without beer. The use of hops in beer manufacture was begun in 1079. We mention these facts which are of interest to the octogenarian. But we would mention another fact of the last importance to the general reader, to wit, that both of these rubicund deities have a temple dedicated to their orgies in Orangeburg. At the "Enterprise Saloon, kept by our friend Herman Wahlers, both Beer and Wine, and also Whiskey and Segars of the best, brands and qualities are kept and courteously dispensed.

The chestnut came from Italy. The onion originated in Egypt. The nettle comes from Europe. Tobacco is a native of Virginia. Rye originally came from Siberia. The citron is a native of Greece. The poppy originated in the East. The pine is a native of America. The mulberry originated in Persia. Parsley was first known in Sardinia. The pear and apple are from Europe. Spinach was first cultivated in Arabia. The sunflower was brought from Peru.

DON'T HAWK, HAWK, SPIT, SPIT, BLOW, BLOW, and disgust everybody with your Catarrh and its offensive odor. when Dr. Sage's Catarrh Remedy will speedily destroy all odor and arrest the discharge.

HAVE YOU SEEN HER?—A lady who for the last five years has been a leader of fashion in New York, and who may be seen twice a week in her elegant calèche driving a pair of superb ponies in Central Park, has recently state 1, in the select circle to which she belongs, that the only article in existence which imparts beauty and lustre to the complexion without ultimately impairing the texture of the skin and causing it to collapse of the distinguished member of the beau monde who made this declaration cannot with propriety be given, but it may be mentioned en passant that she has spent several years of her life in Europe and is familiar with all the arts and preparations employed by the court beauties of the old world to enhance their charms.

THE KU KLUX.

Raid through our quiet village sometime ago, did not engender as much

EXCITEMENT

As did the intelligence that Mr. HERMAN WAHLERS, DESIGNED opening a FIRST CLASS DRINKING SALOON

IN OUR MIDST.

And when

THE FACT

WAS

REALIZED,

The confusion of the people was almost equivalent to

THAT

Caused to the builders of the tower of Babel when their language was confused.

SODA, GIN, WHISKEY, AND

BRANDY COCKTAILS,

Such as we had never seen before—WINES, CHAMPAGNES, and SEGARS the like of which were as rare as a white crow, or ice in June. ALE and LAGER, that would make the laziest man in the world fat, are only a part of MR. WAHLERS' COLLECTION that

Caused so much Fright to

us all. To this Day

There are men whose

LIFE IS IN A DOUBTFUL CONDI-

TION.

This was caused by his manifesto, requesting

LOAFERS

To keep away on pain of a heavy

PENALTY.

To this day there are others who had lost their power to be gentle—whose nerves were rendered unsteady by the use of bad liquors, and whose countenance bore a downcast sheepish look—to this day the advertiser says there are men like these, who have been happy, infinitely so since including once at MR. W'S SALOON. There fore the exhortation.

COME ALL YE

That thirst for healthy beverages, the depressed, the aged—and the poisoned

AND RECEIVE THE BALM

That can only be had at the ENTERPRISE SALOON.

You'll Find No

LOAFERS, NO HANGERS

AROUND, NO

MEN whose eyes are redlined with

MIXTURES OF STRYCHNINE &

CREOSOTE,

You'll find a genial healthy set of TEMPERANCE LOOKING MEN, and the greatest desire on the part of the PROPRIETOR is to please the wants of his customers.

The Baltimore Robbery

Demonstrates the old-told tale that cheap safes, old fashioned safes, safes not up to the times, are the temptations to burglary. Bankers may provide watchmen, and may use other safeguards, but they will not get their money in the watchman's pocket, or trust in a tin or wooden box, no matter how many guards are used. The safe, after all is the last respectable. No amount of watching or guarding will ever make a poor old-style safe trustworthy. This is the old-told tale, and should be the best that can be made. There is but one best.
